- \* Meanwhile, the Air Force is in the process of selecting candidates for General Bissel to review and select a nominee to replace Jim. This process should be completed in about ten days, and we will subsequently have an opportunity to interview their nominee.

- \* [ ] will assume Jim's responsibilities in support of the intelligence problem.

Narcotics Intelligence: [ ]

- [ ] A/NIO/Narcotics, informed George that Jim Starke, NSC staffer, will be convening a small working group on 18 October to discuss the terms of reference for the proposed NSDD on narcotics. Starke initially plans to keep this working group small and has a letter enroute to the DCI advising him of this undertaking.
- In addition, Bob reported that Charlie Allen [ ] at the end of this week and that the increasing responsibilities of terrorism are creating a problem in the narcotics area, with several NIEs bottled up. (Note: It is becoming readily apparent that these two substantive areas are too much for one NIO to handle.)

SUBJECT: Exchange Meeting 

25X1

1. In light of the recent selection of new Chairmen for several DCI Committees and the few opportunities we have to meet as a group, I wish to invite you and your Executive Secretary to a meeting of DCI production and collection committee Chairmen. The DDCI and the DDI have been invited to join us, and barring any change of schedule, plan to attend. I do not envision anything formal, just introductions and brief discussions on current and planned activities of mutual interest, problem areas, and the exchange of ideas on how we might interact and support each other and the Community more effectively.

2. Arrangements have been made to hold the meeting  beginning at 1400 and continuing for about one hour on 30 October. The Executive Secretary of WSSIC will contact your Executive Secretary by 18 October to inquire about your plans to attend. I look forward to seeing you on 30 October.
